CUMULATIVE REVIEW: DAYS 20260625–20260626

Level: B2 | Topics: Climate Change, Public Facilities

Student Name:

Time Allowed: 120 mins

WARM-UP / KHỞI ĐỘNG

Answer the following questions:

1. What public facilities does your city have?
2. How does climate change affect urban life?

I. READING PASSAGE

Smart Cities of the Future

Cities around the world are undergoing massive transformations to combat climate change. Green-spaces are being preserved to lower temperatures, and shopping streets are being pedestrianized to encourage walking. The integration of public amenities with sustainable technology is crucial for the future.
